

REMARKS

In the Office Action dated September 15, 2005, claims 8, 10-11, 14, 24, 26-27, 30, 41, 43-44, 47, 57, 59, 60 and 62-63 were only "objected to," presumably as being dependent on one or more rejected claims. By the present amendment, claims 8, 10, 41 and 43 have been amended to put them in independent form, including all the recitations of the claims from which they depended. Claim 62 has been cancelled, and all the other claims in the "objected to" group have been amended to make them dependent on one of the amended claims 8, 10, 41 or 43. All the other claims in this application have been cancelled. Thus, the application as now amended is believed to be in condition for allowance.
